
“TAIL GATOR”

The Satsuma "Tail-Gator" will be on October 20, 2018. It will be held again at the Fred K. Wright Municipal Park in Satsuma, AL, from 8AM until 11AM. We will be meeting at and around the pavilion and nearer the rest rooms! Talk-in will be arbitrarily on the 146.94 repeater, no tone.

"Testing for all license classes at this event is optional- please contact your local VEC to see if they are attending and if they will be testing."

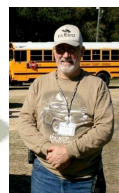

We have had good exposure to the public at each successive "Tail-Gator" and hope to continue to be open and accommodating to the public, encouraging others to enter and enjoy Ham radio!

For those who have not been to a Satsuma "Tail-Gator", here are the directions below:

Directions: From north- or south-bound on I-65, take exit 19 onto Hwy. 43 south, go 1.1 mile and the park will be on the right. If traveling up Hwy. 43 from Mobile just go through Chickasaw, Saraland and into Satsuma...the park will be on the left about 3/4 mile past the third light in Satsuma. WATCH SPEED LIMITS!

Also, there are several places to eat in Satsuma: Waffle House, several burger joints (all near/at the Petro Truck Stop), Subway at the Shell Station, Bay City Grill, Mr. Mac's Soda Shop at McConoghy's Drug Store and Satsuma's Chevron BBQ down by the Pilot Truck Stop. too! Gas prices are well in-line in this area as well. If anyone needs any further info, I'm good on QRZ...hope to see y'all there!

Bud, KC4HGH. SPREAD THE WORD!

This event is not affiliated with any group or association...it's just put on for the fun of it.
